

BEAUTY NEVER LOOKED SO TOUGH

GO ANYWHERE IN STYLE All smartly combined with an abundance of intelligent features and outstanding creature comforts to help make sure you'll always arrive safe, refreshed and relaxed, whatever the destination.

RUGGED ELEGANCE The highly refined exterior lines of Prado have not occurred by chance. Every element has been painstakingly designed to serve a specific purpose.

FIND EVERYTHING AT YOUR COMMAND Cast your eyes forward from within the Prado, and you'll notice every feature and control has been carefully placed for maximum practicality and visibility.

COMFORT TO MASTER EVERY SITUATION Whether in traffic, on holiday or a family weekend away, you'll always be travelling first class in Prado. It begins with Smart Entry and Start system, allowing you to unlock and get going while the key remains in your pocket.

SAFETY THROUGHOUT Wherever your Prado takes you, an incredible array of safety features will protect you. The 'Safe T-Cell' body is designed to take impact from the front, rear and sides.
