

ALL-NEW **YARIS**

Back and cleaner than ever.

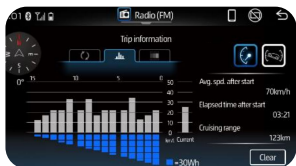

Exciting new styling meets classic flair.

The Yaris has been refreshed inside out, equipped with stylish alloy rims that excite the senses and a sleek interior with black accents that exude refinement.

Comfort Features

Wireless charger, situated in the lower tray of the centre console.

The all new infotainment system begins with a 10.1 inch screen for easy viewing, fully equipped with Apple CarPlay and Android Auto. Smartphone compatibility has been advanced with the addition of a wireless charging console and USB-C Port. Trip information, fuel consumption history, inclination angle and energy flow are accessible at a glance, keeping you comfortable and informed.

Active Safety Features

Toyota's commitment to your safety continues with the many protective features the Yaris is equipped with, including precollision warning systems, auto high beams, lane departure support and adaptive cruise control.

Exterior Colours

Choose between any of the elegant colours the Yaris is available in to highlight your personal style and preferences.

RED MICA METALLIC

Driving Performance

The updated speedometer with advanced styling- choose between four patterns to suit your preferences.

There's no need to compromise between performance and economy with the Yaris. With improved acceleration, excellent handling and an efficient hybrid system that cuts down fuel costs and emissions, you'll find yourself in the gas station less and enjoying the journey more.

The Lithium-Ion battery that powers the hybrid engine offers exceptional durability, greater fuel efficiency and improves handling stability without compromising on storage.
